## **Investigation Discovers Deficiencies in Cleveland Fire Training Academy Records**

**CLEVELAND** – The City of Cleveland Department of Public Safety Office of Integrity Control announced that an investigation into continuing education within the Division of Fire Training Academy has concluded. The investigation was initiated after the Integrity Control Office received a complaint from a firefighter assigned to the Fire Training Academy alleging possible falsification of official records.

The investigation focused on the validation of training records and compliance to Ohio Revised Code 4765-7-09. Upon completion of the investigation, the matter was reviewed by the Department of Law and no criminal conduct was identified. The Department of Public Safety forwarded the investigative findings and recommendations of administrative charges to Chief Patrick Kelly for review and recommendation.

On June 25, 2015, Chief Patrick Kelly recommended administrative charges for Battalion Chief Sean DeCrane, Captain Patrick Corrigan and himself. That recommendation was accepted by Director of Public Safety Michael McGrath and administrative charges were served.
