**November 9, 2016**

## **Mayor Frank G. Jackson Statement on the Passage of Issue 108**

**CLEVELAND** – “I would like to thank the people of Cleveland for their continued support of the education of our children. With the renewal of this school levy, we can continue to make gains in our schools and focus attention on the areas that still need improvement. Together, we will make quality education available to every student in every neighborhood.”

– Mayor Frank G. Jackson
