

BIDDER EXPERIENCE FORM

Use one form per project/system, for a minimum of three projects/systems. Select projects, which are most similar to the City of Cleveland.

Project/System Name:

Client Organization Name:

Duration of Involvement:

Type of Business:

From: _____ to _____

Conversion phase:

Contact Person and Title:

From: _____ to _____

Operational phase:

Address and phone number

From: _____ to _____

Project/System Profile:

1. Number of violations per year: _____
2. Gross violation collection per year: _____

Explain why the City of Cleveland should consider this reference a viable experience. In light of our proposal, relate the functionality, components and capabilities of this system to the elements of our proposal. Describe in as much detail as possible so that we may judge the relevancy of this experience to our proposal. Please note various processing volumes for different components of this system.

Note: Up to two additional pages may be attached for each Bidder Experience Form if needed to fully describe the project/system. No or limited credit will be given for responses using other formats or for projects/systems which cannot be verified by the given reference.
